

GET INVOLVED!

Would you like to play a part in shaping the future of Ewhurst Parish?

The actions contained within this plan reflect the views of the majority of the people who completed and returned the Ewhurst Parish 'Have Your Say' questionnaire. The Action Plan is owned by the community and will be reviewed on a regular basis to reflect the changing needs of the people of Ewhurst Green, Staplecross and Cripps Corner. As you will see when reading the 'Action' pages interested organisations and groups have been identified (stakeholders) to help progress these ideas. However, it is important that the community continues to be involved in delivering their aspirations as set out in this Plan.

Does a particular 'Action' within the Plan interest you?

Some of you have already ticked the box on the questionnaire volunteering your services to help and we very much appreciate your support. However, to make this Action Plan a success and to ensure the Parish continues to be a great place to live and work we would like any member of the community who has a particular interest, skill, knowledge or expertise to offer to help us to take these actions forward. If you would like to join any working groups, share your experience, contribute to the development of local projects or just find out a little bit more about being involved please contact:
